

企業管治及社會責任

Corporate Governance and Social Responsibility

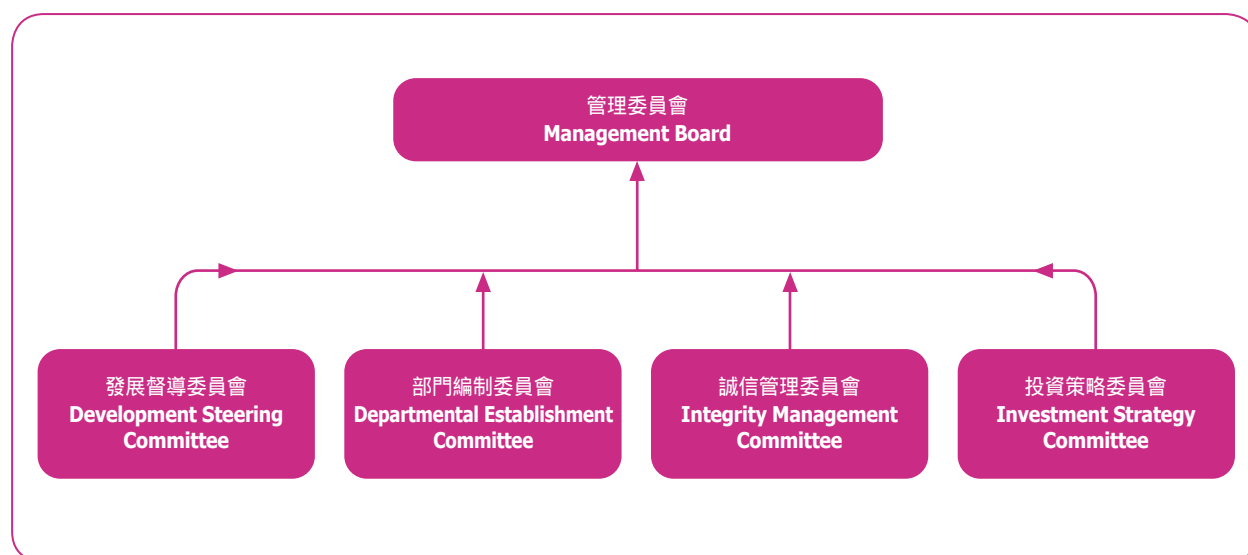

高水平企業管治的承諾

公司註冊處致力維持高水平的企業管治，因為我們相信，有效的管治方式，對達至本處的長遠策略目標及保障所有利益相關者的權益，至為重要。本處建立了十分全面的架構，以確保有明確的問責制度、有成效卓著的內部監控、以及有高水平的誠信和透明度。

Commitment to High Standard of Corporate Governance

The Companies Registry is committed to maintaining a high standard of corporate governance, which we believe is vital to achieving our long-term strategic goals and safeguarding the interests of our stakeholders. The Registry has established a comprehensive framework to ensure clear accountability, effective internal control and a high level of integrity and transparency.

委員會

管理委員會

管理委員會由公司註冊處處長擔任主席，成員包括本處全體首長級人員。委員會負責訂定本處的策略方向，以及管理本處的業務和事務，務求達到本處的理想和使命。委員會每月召開會議一次，如有需要會召開更多會議，以確保妥善處理政策、運作和法例方面相關的事宜。

其他委員會

本處成立了四個各有特定職權範圍的委員會，負責就特定運作範疇提供有效及針對性的監督和領導：發展督導委員會、部門編制委員會、誠信管理委員會和投資策略委員會。

Board and Committees

The Management Board

The Management Board, chaired by the Registrar of Companies and comprising all of the directorate officers of the Registry, is responsible for setting strategic directions and managing the business and affairs of the Registry with the aim to achieve its vision and mission. The Board meets monthly, or more frequently if necessary, to ensure that relevant policy, operational and legislative issues are properly dealt with.

Committees

To provide effective and focused oversight and leadership to specific areas of the operation, four committees have been established with specific terms of reference: the Development Steering Committee, the Departmental Establishment Committee, the Integrity Management Committee and the Investment Strategy Committee.

Corporate Governance and Social Responsibility

發展督導委員會

本處認同訂定長遠業務發展計劃和策略，對於維持公司註冊處卓越的表現，以及為社會提供優質服務方面至為重要。發展督導委員會由公司註冊處處長擔任主席，成員包括本處高層管理人員和財經事務及庫務局的代表。委員會負責就本處的長遠業務發展訂定方向目標，並監督本處各項主要措施及計劃的推行。在委員會的領導下，本處於二零一一年三月成功推出一站式電子成立公司及商業登記服務。在未來的日子，委員會會繼續監督以電子方式提交文件服務的進一步開發工程，以及必需的系統提升工程，以配合本處在新的《公司條例》下要肩負的新角色和職能。

部門編制委員會

員工費用約佔本處運作成本的70%。本處認同有效的人力策劃，不僅對成本，還對所提供服務的質素有所影響。有見及此，本處成立了部門編制委員會，由本處的高層管理人員組成，負責審議人手方面的建議，並向公司註冊處處長提出推薦方案，以制訂本處短期和長期的人力規劃。

誠信管理委員會

作為一間公共機構，本處完全明白擁有一支持廉守正的隊伍是極其重要的。因此，本處十分重視提倡和管理誠信，並於二零零八年二月成立公司註冊處誠信管理委員會，負責統籌和監察本處推行的誠信管理措施。委員會成立之後，積極向員工推廣崇高的操守標準，並制訂誠信管理的周年工作計劃，為本處人員提供清晰的指引，以了解本處在誠信管理方面的承擔和工作。二零一零至一一年度工作計劃的措施已順利完成。透過在處內播放影片和舉行講座，員工對誠信事宜和防貪的警覺性得以提

Development Steering Committee

We recognise that long-term business development planning and strategies are critical to the Registry in maintaining an excellent Companies Registry and providing a high quality service for the community. The Development Steering Committee, chaired by the Registrar of Companies and comprising members of the Registry's senior staff and representative of the Financial Services and the Treasury Bureau, is responsible for setting the direction for the Registry's long-term business development and overseeing the implementation of key initiatives and projects. Under the leadership of the Committee, the one-stop service for electronic company incorporation and business registration was successfully launched in March 2011. In the years ahead, the Committee will continue to oversee the further development of electronic filing services and the necessary system enhancement to cater for the new roles and functions introduced by the new Companies Ordinance.

Departmental Establishment Committee

About 70 per cent of the Registry's operating costs are staff costs. The Registry recognises the importance of good manpower planning, which has a bearing not only on costs but also on the quality of services provided. In this respect, a Departmental Establishment Committee has been formed, composed of senior officers of the Registry, to consider staffing proposals and make recommendations to the Registrar of Companies for the formulation of the Registry's short and long-term manpower plans.

Integrity Management Committee

As a public organisation, the Registry is fully aware that it is vital to have an ethical, clean and honest workforce. The Registry therefore places great emphasis on promoting and managing integrity, and an Integrity Management Committee was established in February 2008 to coordinate and monitor the Registry's integrity management initiatives. Since its establishment, the Committee has strived to promote high ethical standards among staff members and has drawn up an annual Integrity Management Programme Action Plan to provide staff members with clear guidance on the Registry's commitment to and efforts in integrity management. The initiatives in the 2010-11 Action Plan were successfully completed during the year. Staff were alerted to integrity

投資策略委員會

本處自成立以來，累積的盈餘可以為日常運作及未來發展提供資金，並足以應付不時之需。截至二零一一年三月三十一日，本處的現金儲備為6億5,860萬元，可供本處作短期或長期投資之用。投資策略委員會於二零零八年十月成立，由公司註冊處處長擔任主席，負責制訂本處的投資政策，並審議其他投資策略和建議。委員會定期及有需要時舉行會議，監察本處的投資組合和投資表現。

問責及風險管理

本處是一個以營運基金形式運作的部門，按類似商業方式提供服務。我們須就本處所提供的服務及表現，向財經事務及庫務局局長及公眾負責。

整體工作及業務計劃

本處每年須提交整體工作及業務計劃予財經事務及庫務局局長批核。有關計劃載列本處在業務和政策方面要達至目標所訂定的短期及長期策略。計劃一經批核，便會成為衡量本處表現的準則。

與財經事務及庫務局舉行會議

財經事務及庫務局(財經事務科)是本處的決策局。本處定期與財經事務及庫務局常任秘書長(財經事務)及財經事務科的代表舉行會議，以檢討本處的表現，並就運作和立法方面的主要措施尋求政策上的支持。此外，我們每六個月與財經事務及庫務局庫務科的代表舉行會議，以評估及監察本處的財務表現。

issues and prevention of corruption through in-house video shows and talks. They were also encouraged to attend conferences, seminars and workshops organised by the Civil Service Bureau as part of the Ethical Leadership Programme.

Investment Strategy Committee

Since its establishment, the Registry has built up a reserve to finance its daily operations and future development and to meet contingency needs. As at 31 March 2011, the Registry had a cash reserve of \$658.6 million available for short or long-term investment. The Investment Strategy Committee chaired by the Registrar of Companies was established in October 2008 to formulate the Registry's investment policies and consider alternative investment strategies and proposals. The Committee meets at regular intervals and whenever a need arises to oversee the Registry's investment portfolio and performance.

Accountability and Risk Management

As a trading fund department, the Registry provides services on a quasi-commercial basis. We are accountable to the Secretary for Financial Services and the Treasury and the public for our service delivery and performance.

Corporate and Business Plan

The Registry will submit an annual Corporate and Business Plan to the Secretary for Financial Services and the Treasury for approval. The plan sets out the short and long-term strategies for achieving the Registry's business and policy objectives and, once approved, will serve as the standard for evaluating the Registry's performance.

Meetings with the Financial Services and the Treasury Bureau

The Financial Services and the Treasury Bureau (Financial Services Branch) is the policy bureau of the Registry. We meet with the Permanent Secretary for Financial Services and the Treasury (Financial Services) and representatives of the Financial Services Branch on a regular basis to review the Registry's performance and obtain policy endorsement on any major operational and legislative initiatives. We also meet with representatives of the Treasury Branch of the Bureau to evaluate and monitor our financial performance every six months.

規則及規例

雖然本處按類似商業方式運作，但我們在進行採購及其他財務活動時仍須遵從政府的規則及規例行事，以確保本處在採購和財務工作上保持應有的誠信和內部監控。此外，本處亦為員工提供內部運作和財務管理的指引。

風險管理

本處的網上查冊中心及「註冊易」投入運作之後，為客戶提供全日24小時的查冊及公司註冊服務。這些服務必須有安全、穩定和可靠的電腦系統加以支援。為此，發展督導委員會亦會監督本處在資訊科技方面的功能，以及監督這些功能與本處核心業務的配合，以確保系統切合本處的使命、政策及目標。

本處制訂了業務應變計劃，以減低系統一旦故障對業務所造成的風險。計劃包括一個運作復原系統，可以支援重要功能或運作，確保維持最低限度服務。此外，我們定期進行運作復原演習，以測試復原程序，確保運作復原系統操作正常。

本處認同高水平的資訊保安對確保為客戶提供服務的基礎設施穩定可靠至為重要。為此，本處制訂了資訊科技保安政策、資訊保安事故處理指引，以及終端用戶的資訊科技保安指示，供本處員工有所遵循。這些指示和指引會不時作出檢討和更新，以確保有關措施符合現行的指引和標準。

為確保員工妥為遵從各項指示及指引，本處定期向員工提供最新資料，以提高員工對資訊保安的認識，並促使員工遵從各項保安政策和指示。此外，本處每年進行獨立的資訊保安審核工作，並在推出新功能前先進行風險評估。

Rules and Regulations

Although the Registry operates on a quasi-commercial basis, we are still required to follow a number of government rules and regulations when we conduct procurement and other financial activities. This ensures that integrity and internal controls are properly maintained in the Registry's procurement and financial processes. There are also internal operational guidelines and financial management guides for staff members.

Risk Management

With the implementation of the Cyber Search Centre and the e-Registry, we provide round-the-clock company search and incorporation services to our customers. The provision of such services has to be supported by secure, stable and reliable computer systems. Thus, the Development Steering Committee oversees, among other things, the Registry's information technology (IT) functions and their interface with the Registry's core business activities to ensure the alignment of IT systems with the corporate mission, policies and objectives.

A business contingency plan has been developed to reduce the risk to business in the event of system disruptions. The plan includes a disaster recovery system, which supports critical functions or operations and ensures the continuity of a minimum level of services. Disaster recovery drills are carried out periodically to test the recovery procedures and ensure proper functioning of the disaster recovery system.

The Registry recognises that high-level information security is essential for ensuring a reliable infrastructure for the provision of services to customers. For this purpose, an IT Security Policy, Guidelines on Information Security Incident Handling, and End Users Instructions on IT Security have been developed for staff to follow. These instructions and guidelines are reviewed and updated from time to time to ensure they are consistent with the prevailing guidelines and standards.

To ensure proper compliance with the instructions and guidelines, the Registry provides regular updates to staff members with a view to fostering security awareness and compliance with various security policies and instructions. The Registry also engages independent auditors to conduct IT security audits annually and carry out risk assessments before rolling out new functions.

Audit and Report

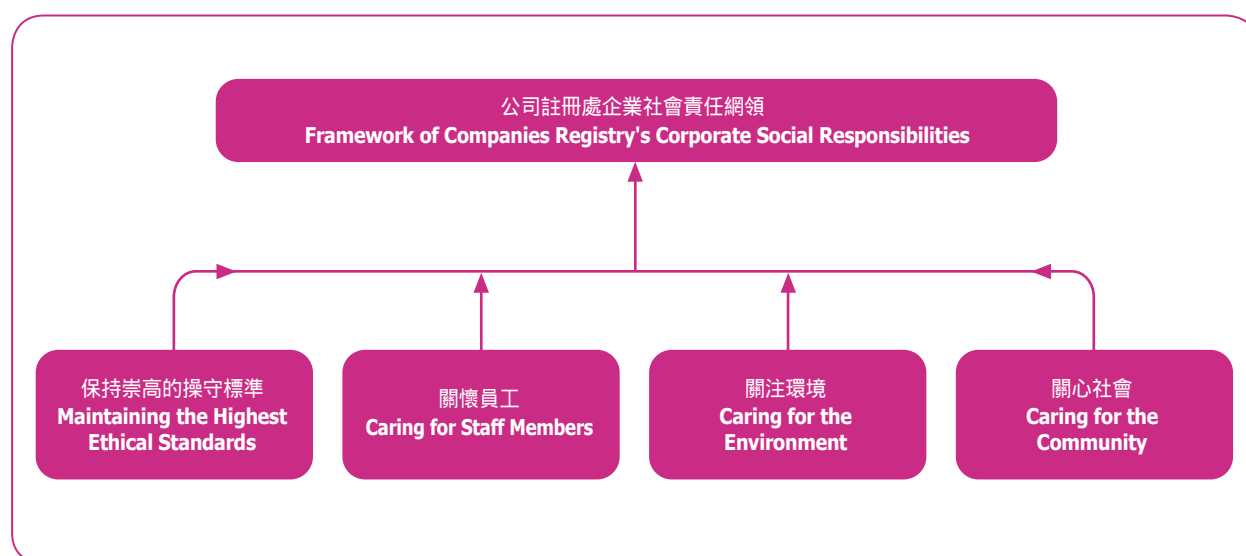

The Registry prepares its annual accounts in accordance with generally accepted accounting standards. The annual accounts are audited by the Director of Audit and the audited accounts together with the Registry's annual report are tabled in the Legislative Council each year.

Code on Access to Information

The Registry recognises the need for members of the public to be well informed about the Registry, the services it provides and the basis for policies and decisions that affect individuals and the community as a whole. To achieve this objective, the Registry is in full compliance with the requirements of the government's Code on Access to Information, which provides a formal administrative framework for the provision of information to members of the public.

Social Responsibility

As a public organisation, the Registry recognises that sustainable growth of the community is just as important as business growth. It also values the corporate social and environmental sustainability commitments made to its customers, staff members and community. To this end, the Registry issued a Corporate Social Responsibility (CSR) Policy Statement in September 2010 that sets out the framework for discharging its corporate social responsibilities. The CSR Policy Statement is provided at Appendix G.
