Guidance Notes

Application for Administrative Restoration

Please read these Guidance Notes carefully before making an application.

(A) Introduction

Division 4 of Part 15 (Dissolution by Striking Off or Deregistration) and Division 8 of Part 16 (Non-Hong Kong Companies) of the new Companies Ordinance (Cap. 622) ("the CO") introduce an administrative restoration procedure for companies whose names have been struck off the Companies Register.  

2. The new administrative restoration procedure has been implemented since the commencement of the CO on 3 March 2014. These Guidance Notes should be used as a guide only and should be read with the relevant provisions in the CO which is available at www.elegislation.gov.hk.

(B) Local Companies

(I) Application to Registrar for restoration of a local company

3. The Registrar of Companies ("the Registrar") is empowered to restore a local company whose name has been struck off the Companies Register under section 746 or 747 of the CO or section 291 of the predecessor Ordinance (i.e. the Companies Ordinance (Cap. 32) as in force from time to time before the commencement date of the CO) and which is dissolved under the respective sections.

1 The administrative restoration procedure is NOT applicable to a company which was dissolved by way of deregistration or winding up.
2 The Registrar may strike off the name of a company from the Companies Register where it appears that the company is not in operation or carrying on business or where, in the case of a company which is being wound up, the returns required to be made by the liquidator have been outstanding for 6 consecutive months and it appears that no liquidator is acting or the company’s affairs are fully wound up.
4. An application for restoration of a dissolved company should be made by a person who was a director or member of the company and **within 20 years** after the date of the dissolution of the company.

5. The application will not be granted unless the four conditions specified below and any other conditions\(^3\) that the Registrar thinks fit are met –

   (i) the company was in operation or carrying on business at the time its name was struck off the Companies Register;

   (ii) if the company has any immovable property situated in Hong Kong which has been vested in the Government as bona vacantia, the Government has no objection to the restoration;

   (iii) the applicant has delivered to the Registrar the documents that are necessary to bring up to date the records of the company kept by the Registrar (see **Annex 1**); and

   (iv) the Government’s costs, expenses and liabilities in dealing with the property or right during the period of dissolution, or in connection with the proceedings on the application, have been paid or reimbursed by the applicant.

\(^3\) The Registrar will usually also require the production of the written authorizations of the members of the company for making the application.

[See sections 760 and 761 of the CO]

6. The applicant must pay HK$2,700 as the administrative restoration fee. The cheque should be made payable to the “Companies Registry”. Fee paid will not be refunded notwithstanding that the application is not granted.

**(II) Registrar’s decision on application**

7. The Registrar must notify the applicant of the decision on the application for administrative restoration. If the Registrar grants the application, the company is restored to the Companies Register on the date on which notification is given. The Registrar will register the notification and publish in the Gazette a notice of the restoration.

[See section 762 of the CO]
(III)  Company’s name on restoration

8. A company is restored to the Companies Register under its former name. If the former name has, since the dissolution, been adopted for use by another company, it is required to change its name within 28 days after the restoration.

9. For more details of change of name of a restored company and the Registrar’s direction to change name, please refer to the “Guideline on Registration of Company Names for Hong Kong Companies” issued by the Companies Registry (“the Registry”). The Guideline can be downloaded from the Registry’s website. Copies of the Guideline are also available at the information counter of the New Companies Section on the 14th floor of the Queensway Government Offices, 66 Queensway, Hong Kong.

[See sections 769 to 772 of the CO]

(C)  Non-Hong Kong Companies

(I)  Application to Registrar for restoration of a non-Hong Kong company

10. If the name of a non-Hong Kong company has been struck off the Companies Register under section 798 of the CO or section 339A(2) of the predecessor Ordinance (where the Registrar has reasonable cause to believe that a registered non-Hong Kong company has ceased to have a place of business in Hong Kong), a director or member of the non-Hong Kong company may apply to the Registrar for the restoration of the company.

11. An application in the circumstances must be made within 6 years after the date of the striking off.

12. The application will not be granted unless the two conditions as specified below and any other conditions\(^4\) that the Registrar thinks fit are met –

(i) the non-Hong Kong company had a place of business in Hong Kong at the time of the application and at any time within the period of 6 months before its name was struck off the Companies Register; and

\(^4\) The Registrar will usually also require the production of the written authorizations of the members of the company for making the application.
(ii) the applicant has delivered to the Registrar the documents that are necessary to bring up to date the records of the non-Hong Kong company kept by the Registrar (see Annex 2).

[See sections 799 and 800 of the CO]

13. The applicant must pay HK$2,700 as the administrative restoration fee. The cheque should be made payable to the “Companies Registry”. Fee paid will not be refunded notwithstanding that the application is not granted.

(II) Registrar’s decision on application

14. The Registrar must notify the applicant of the decision on the application for administrative restoration. If the Registrar grants the application, the non-Hong Kong company is restored to the Companies Register on the date of which notification is given. The Registrar will register the notification and publish in the Gazette a notice of the restoration.

[See section 801 of the CO]

(D) Standard Form for Application to Registrar for restoration

15. Applicants for restoration may make use of the standard form, Application for Administrative Restoration of a Local Company (Annex 3) or Application for Administrative Restoration of a Non-Hong Kong Company (Annex 4) as appropriate, for making an application for administrative restoration. The forms may be downloaded from the Registry’s website. They can also be obtained at the office of the Registry.
