  - If an advertisement states that certain loans are “Interest-free”, “0% interest”, etc., it will give the impression that there are no interest or monthly fees. If a monthly administrative or handling fee is charged, the advertisement would be misleading.
  - Money Lenders' posts on social media (including but not limited to its pictures, videos and captions) may be regarded as one or more advertisements depending on the actual situation. Money lenders must ensure that such posts comply with **Licensing Conditions 8 and 9**.

## Licensing Condition 10 – (2)

### ➤ Points to note

- Whether the debt collector complies with the law and the relevant requirements under Condition 10 in his debt collection activities is a factor for determination of whether the money lender is a fit and proper person to carry on business as a money lender.
- Money lenders must exercise proper care and diligence to monitor the debt collection activities of their debt collectors.
- Debt collectors should not be given a free hand as to debt recovery procedures.

# Licensing Condition 11

# Licensing Condition 14

- The money lender must-
- comply with the **Guideline on Compliance of Anti-Money Laundering and Counter-Terrorist Financing Requirements for Licensed Money Lenders**; and
  - assess the money laundering/terrorist financing risk of their businesses, develop, and implement policies, procedures and controls on the following:

The Guideline can be downloaded from CR's website:

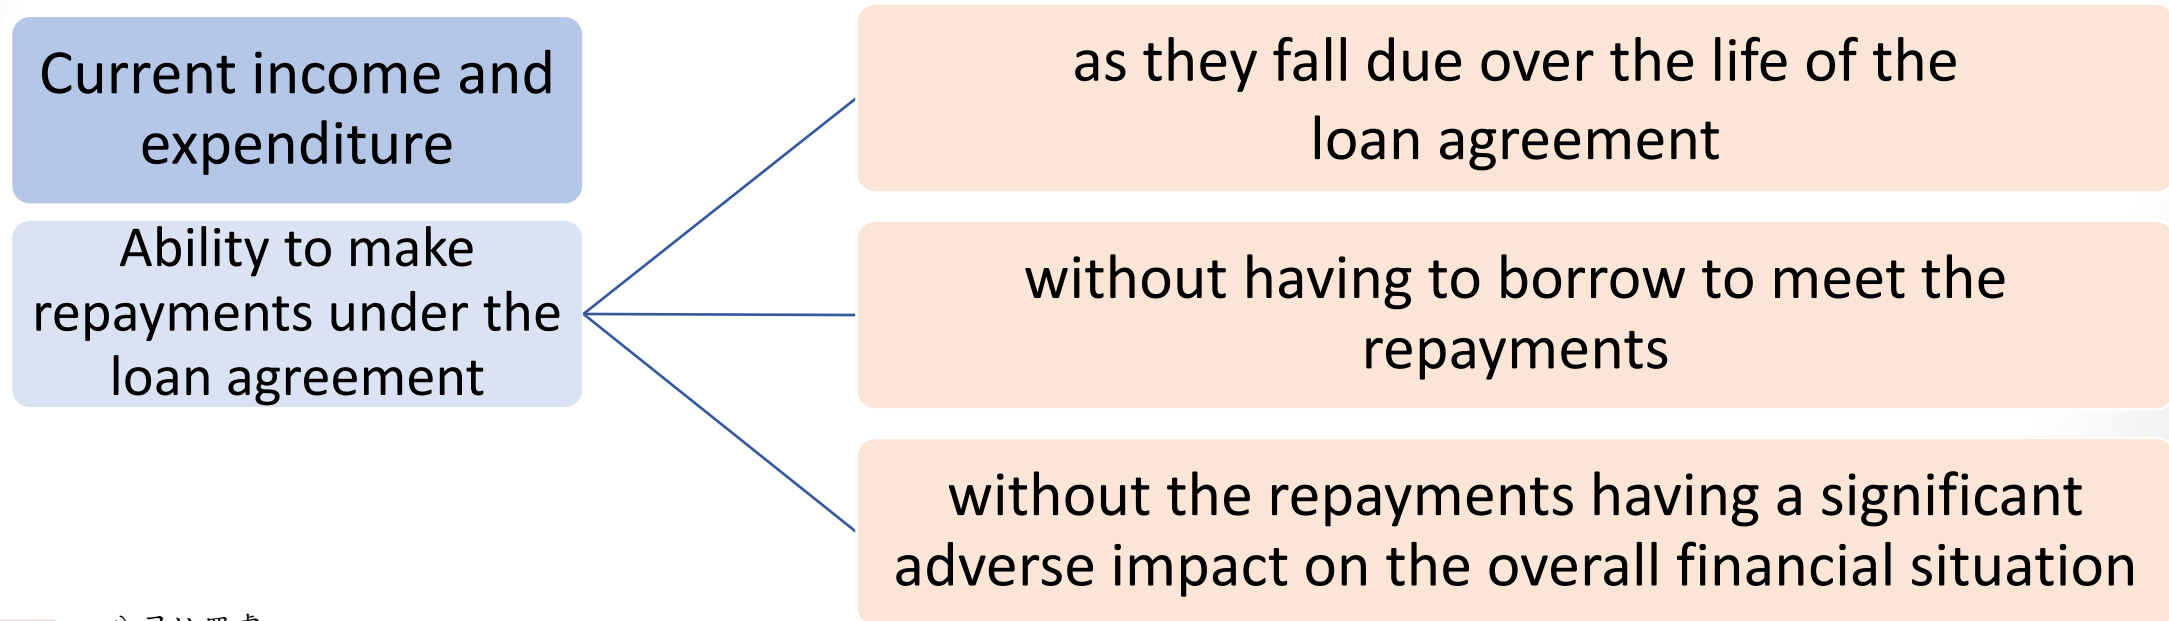

(Major Services > Licensing of Money Lenders > Publications > Guidelines)

## Guideline on Compliance of Anti-Money Laundering and Counter-Terrorist Financing Requirements for Licensed Money Lenders

# Licensing Condition 15 – (1)

- Before entering into agreement for or before granting any significant increase in the amount of loan under an agreement for **unsecured personal loan**, the money lender shall undertake an assessment of the intending borrower's or borrower's ability to make repayments under the loan agreement affordably and have due regard to the outcome of the assessment in respect of **affordability**.
- In carrying out the assessment, the money lender shall consider the intending borrower's or borrower's:

## Licensing Condition 15 – (2)

### Assessment must be reasonable (1)

- The money lender must base the affordability assessment on sufficient information available to him at the time of conducting the assessment.
- The extent and scope of the assessment, the steps that the money lender must take and the evidence to be taken into account, are dependent upon, and proportionate to, the individual circumstances of each case.
- The money lender should adopt a common sense approach and decide what is appropriate and proportionate in the circumstances of a particular case.

# Licensing Condition 15 – (3)

## Assessment must be reasonable (2)

### ➤ Factors for consideration in the assessment:

Total amount of the principal and interest payable

Duration of the term for repayment of the loan

Frequency and amounts of the repayments

Interest rate

Purpose of obtaining the loan

Employment or business of the intending borrower or borrower

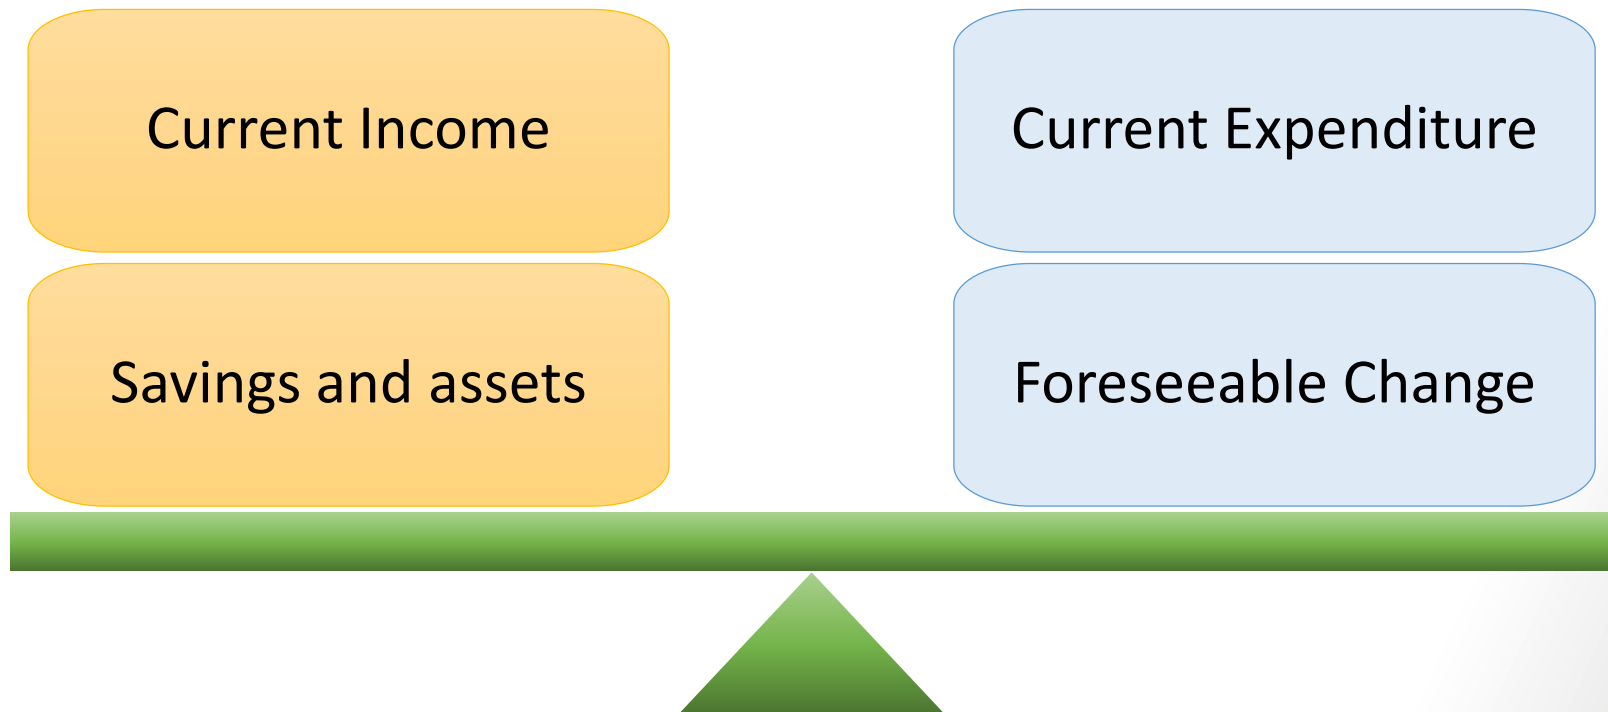

Current credit and financial information on the intending borrower or borrower

Any other potential adverse consequences for the intending borrower or borrower arising under the loan agreement from a failure to make a repayment by the due date

## Licensing Condition 15 – (4)

### Assessment on current income and expenditure

- Must take reasonable steps to determine the amount, or make a reasonable estimate, of the current income and expenditure of the intending borrower or borrower:

## Licensing Condition 15 – (5)

- The money lender must also keep **written or video or audio records** which show that the requirements under this condition have been complied with.
- The licensee should establish, implement and maintain clear and effective written policies and procedures and set out the principal factors it will take into account in carrying out the assessment.

# Licensing Condition 15 – (6)

## ➤ Points to note

- Self-declaration of income and expenditure by the borrower or intending borrower is not an affordability assessment. The money lender must base the assessment on sufficient information available with evidence to show the assessment is carried out by the money lender, e.g. by signing and dating the written assessment.
- Assessment record must show the factors that the money lender has considered, especially the special factors.
- The money lender must ensure the information shown in assessment matches the information provided by intending borrower or borrower (e.g. information from loan applications, proof of income etc.).
- The money lender should adopt a common sense approach and decide the reasonableness of the information provided by the intending borrower or borrower. The money lender should require the intending borrower or borrower to provide relevant supporting document, if appropriate, and keep copies of the supporting documents.

# Extension or renewal of loan agreement

- 
- In addition to new loan agreements, the above-mentioned licensing conditions relating to loan agreement also apply to the **extension or renewal of loan agreements**.
  - When entering into any extension or renewal of loan agreements, money lenders are also required to comply with the relevant licensing conditions.
