COMPANIES REGISTRY

Highlights of the New Inspection Regime (1)

- The Companies Ordinance (Cap. 622) (“CO”) provided for a new inspection regime for personal information on the Companies Register (“the Register”) maintained by the Companies Registry (“CR”).
- The Register maintained by the CR contains personal information available for public inspection.
- Such personal information includes :
 - **the usual residential addresses (“URAs”) and full identification numbers (“IDNs”) of directors of companies;**
 - **full IDNs of company secretaries and some other individuals (such as liquidators and provisional liquidators).**
- Similar personal information is also contained in the registers kept by companies which are open for public inspection.

Highlights of the New Inspection Regime (2)

- Pursuant to the relevant provisions of the CO concerning the New Inspection Regime which were passed by the Legislative Council in July 2012 but had not fully commenced, correspondence addresses instead of URAs of directors and partial IDNs instead of full IDNs **of directors, company secretaries and other relevant persons** would be made available on the Register for public inspection.
- The URAs and full IDNs (**“Protected Information”**) would only be accessible by **“specified persons”** upon application.
- Similarly, companies may withhold from public inspection the Protected Information on the registers they have kept.

Three Phases of the New Inspection Regime

- Phase 1 (from 23 August 2021)
- Phase 2 (from 24 October 2022)
 - Protected Information on the Index of Directors on the Register will be replaced with **correspondence addresses** and **partial IDNs** for public inspection.
 - Protected Information contained in documents filed for registration after commencement of this phase will **NOT** be provided for public inspection.
 - **“Specified persons”** can apply to the CR for access to Protected Information of directors and other persons.
- Phase 3 (from 27 December 2023)

Key Provisions in the CO

In case:-

- (a) communications sent by the Registrar to the director, and requiring a response within a specified period, remain unanswered; or
- (b) there is evidence that the service of documents by the Registrar at the relevant correspondence address of the director is not effective to bring them to the notice of the director,

the Registrar may make a protected address available for public inspection [section 55(1)]

Key Provisions in the CO / Subsidiary Legislation

Annual Return (Local Company) (Form NAR1)

The particulars to be contained will **no longer include**:

- URA and full IDN of a natural person director;
- Full IDN of a natural person company secretary.

[sections 3 and 4 of Schedule 6 to the CO]

Annual Return (Registered Non-Hong Kong Companies) (Form NN3)

The particulars to be contained will **no longer include**:

- URA and full IDN of a natural person director;
- Full IDN of a natural person company secretary;
- Full IDN of a natural person authorized representative.
